Tapping intoTheology

The 5-step Biblical Remnant "pattern" is well-known; it repeats consistently throughout Biblical history. Is it possible that this same pattern may repeat in the Catholic Church?

Speaker: Mike White

"The Mysterious Pattern of The Remnant"

Tuesday, October 13, 2026 7-9pm

Mike is a frequent, popular speaker at Tapping into Theology. His presentations reveal the hidden gems of Catholic biblical theology which inspire and invite audiences to delve deeper into their Catholic faith. Mike has no theological credentials - he's just an average Catholic who did well in business, passed the Bar in California the same year Moses headed into the Sinai, raised four boys with his wife Mary Jo, and taught OCIA in California and Colorado. He attends St. Mark Parish in Highlands Ranch where he and his wife serve as marriage prep facilitators. Mike's presentation on "*The Remnant*" will be the most challenging and controversial thus far. It required 6 months of extensive research to assure it is 100% authentic Catholic teaching. Prepare to be amazed!
