Saint Formation

*Helping each other up
God's Holy Mountain, with
the Saints as our Guides.*

Why Saint Formation?

We hear from the Church that, “we should strive to be Saints”. True it is, but how do you do this? Do you feel that you are in a place where you are serious about deepening your relationship with Jesus? Do you find that light surface talk and generalities don’t cut it for you anymore? Have you found it hard to commit to a formal study program but you are ready to “go deep” and get to know and live your Faith like the Saints?

We have “Formed” this group for you!

St. Thomas Aquinas said to be a Saint you must “Will it”. Saints are not perfect people, just determined in their climb up the rocky, steep, thorny mountain. Moving beyond conversation, we use the Bible, the Catechism and Spiritual Reflection to reveal God’s personal relationship for each of us through the writings of the Saints.

“Will it” with us.

What is Saint Formation?

Our Mission

Assisting focused people in forming an intentional spirit to begin climbing the Holy Mountain with the Saints as our Guides.

What We Believe

We believe the example of the Saints’ lives and writings illuminate our faith and how we should live today.

What We Do

We enrich our minds and souls with a deepened understanding, knowledge and wisdom of our Faith, the Word, and Traditions through the Church Doctors’ & Fathers’ writings.

We open ourselves to receiving Christ and His Gifts.

Meeting Format?

- The current Saint readings are sent out in advance of the meeting day Free to your email with some

“primer questions” that are designed to help get the conversation started and allow participants to share their thoughts. (You can also access for Free off our website).

- Next we dive into our leader-guided seminar format, exploring each precious paragraph looking for deeper spiritual and practical food that points us to Holy Scripture or the Catechism and our Traditions.
- Through sharing and reflecting, each of us are strengthened as we learn from each other, slowly walking the Holy Mountain with His Saints.
- We have a light refreshments to share and we encourage members to attend Mass from 12:00-1:00 PM (before our meeting).

Meeting Prep Recommendations

- **Print & read the reading** - We have extras and, don’t worry, we read each paragraph together.
- **Answer the Primer Questions** (Optional)
- **Come: Holiness is a Team Sport!** Get Formed with God’s Saints
